

PARTICIPANT AGREEMENT

I, _____ (name) agree to the terms of this Participant Agreement ("**Agreement**") with SARL ICS - Centre 5, a French Société à Responsabilité Limitée ("**School**") for the following class: **June 19, 20 & 21, 2020.**

The School provides anatomy education to medical, paramedical and wellness professionals and students through educational videos showing human dissection. I desire to view such videos as an enrolled student of the School.

In consideration of the mutual covenants and agreements set forth herein and for other good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, we agree as follows.

1. Status. I acknowledge that I am a medical or paramedical or wellness professional and/or student in a medically-oriented or paramedically-oriented or wellness oriented program, and I am enrolled as a student with the School.

2. Video Instruction. The School shall provide me with an online classroom setting and will instruct me in human anatomy in part through videos detailing the dissection of a human corpse (the "**Program**"). Video presentations will be conducted live and may last up to six (6) hours. I acknowledge that I will not be able to watch any presentation at a later time even if I do not attend the live session.

3. Intellectual Property. I acknowledge that all intellectual property rights in and to the Program and all videos, documents, work product, and other materials related to the Program are solely the intellectual property of one or more third parties and that the School has a limited license to use the intellectual property associated with the Program on a non-exclusive, non-transferable, non-sublicenseable, non-reproducible basis, and may use the Program for student education only. I specifically acknowledge that I may not and shall not reproduce, prepare derivative works of, distribute, perform, display or transmit the Program, or otherwise copy, create photos of, download, share, or otherwise reproduce any of, or any portion of, the documents, work product, and other materials related to the Program without the School's express written consent, which consent may be withheld in the sole and absolute discretion of the School.

4. Entire Agreement. This Agreement contains our entire agreement with respect to the subject matter hereof and it may not be changed orally but only by a written agreement signed by the School and myself.

5. Agreement Binding. When signed by me, this Agreement shall be binding upon me, my legal representatives, heirs, successors and assigns.

6. Severability. If any provision of this Agreement becomes or is found to be illegal or unenforceable for any reason, such clause or provision must first be modified to the extent necessary to make this Agreement legal and enforceable and then if necessary, second, severed from the remainder of the Agreement to allow the remainder of the Agreement to remain in full force and effect.

7. Third Party Beneficiary. The party or parties who have licensed the Program to the School are third party beneficiaries of this Agreement.

8. Electronic Signature. I agree that my electronic signature, whether digital or encrypted, is intended to authenticate this Agreement and to have the same force and effect as a manual signature.

I have executed this Participant Agreement as of the date below.
